Indotara Award Certification

PT Indotara Persada highly values the relationships we have built with our customers. We always strive to provide the best in every product and service we offer. Therefore, this award is not only a recognition of customer satisfaction, but also a motivation for us to continue improving our quality and service. We hope that the relationship we have built with our customers will continue in the long term and we will continue to strive to provide products and services that meet the needs of our customers.

OUR SERVICES

Indotara is the No. 1 Hoist Crane Fabrication Contractor in Indonesia that has experience in the Implementation of Hoist Crane with various types that can be tailored to the needs and has been trusted by many National and Multinational companies.

OUR EXPERTISE

**Overhead Crane • Wall JIB Crane • Gantry Crane • JIB Crane • Portable Gantry Crane
Semi-Gantry Crane • Underhung Crane • Monorail Crane**

HOIST CRANE MAINTENANCE

Hoist crane maintenance is essential to maintain safety and optimal performance. Conduct regular inspections, lubricate any parts that need it, and repair any damage immediately. Ensure operators have adequate training and electrical maintenance is performed regularly. Certain parts also require special care. By performing regular maintenance, you can ensure optimal performance, extend the life of the crane, and improve the safety of operators and the work environment.

OUR TEAM

WE'RE SOLID TEAM

We are a company dedicated to providing the best solutions for our clients. We have a team of experienced professionals who are experts in their respective fields. With our extensive experience and in-depth knowledge, we strive to always provide the best service to our clients and achieve optimal satisfaction. We are proud of our portfolio that includes various projects from various industries, and we are ready to serve you with high dedication and commitment.

To realize one of the main focuses in terms of customer satisfaction PT. Indotara Persada has been supported by experienced technicians to support the continuity of businesses that have used our products.

Indotara Process Cranes

With years of experience making Indotara a market leader especially in the field of Hoist Cranes, all Crane manufacturing processes go through official procedures by relying on engineers who are professionals in their fields, to produce high quality products and provide the best service for Indotara customers.
